HOW WE WORK

Partner with “The Sessions” and enjoy the benefits of a skilled boutique, music strategy agency focused on developing and implementing marketing activation around live music events.

Our awarding-winning, national reputation is based on twenty years of specialization in driving measurable results for brands seeking to activate with live events.

We leverage our expertise in the entertainment industry to counsel our clients on programs that consistently drive results.

We Plan. You Host. It's Easy.

SessionsTour.com

THE CONCEPT

We bring you the countries most seasoned singer-songwriter's from all genres of music, in an intimate setting that creates an amazing experience for your audience.

HOW IT WORKS

We take these amazing artists on a mini tour, and offer them a one of a kind space to share their songs and stories with you and your community. Each show is customized to promote an unique experience that is built specifically to the needs of your venue and audience.

We secure the talent.
We oversee all logistics.
You host it.

We Plan. You Host. It's Easy.
